It's not homework. It's not one size fits all. This companion guide to Brian Tome's Free Book is an interactive tool designed to help you discover what's holding you back from the free full life God intends for you. What you choose to do about that thing is up to you. But know this: God really wants you to be free, and he's got more than enough power to make it happen. He wants you to experience the kind of freedom and joy you thought only kids could have. But simply reading a book about freedom won't make you free. Beginning and continuing the journey is up to you. God's offering real freedom.
