

A woman with dark hair tied back is kneeling on a purple mat, facing left in a meditative pose with her hands pressed together in front of her chest. She is wearing a light pink long-sleeved crop top and dark blue leggings. The room has a minimalist aesthetic with a light-colored marble wall, a large green plant in a dark pot to the left, and a window in the background. In the foreground, there are two lit candles on a small stand. A dark grey circular graphic is overlaid on the left side of the image, containing the text.

Mindfulness: Step by Step Guide to Mindful Meditation
Gary Owens, 2016-09-25

Mindfulness Meditation: Peace and Tranquility. You can't find happiness in your past. You can't find happiness in your future. You can find happiness in your present. There is life in the here and now, and it is real happiness. Through mindfulness, you can harness your energy within to be aware of the things that can make you happy. There is no need to wait for decades before you can feel happiness. You can be happy every day. Many of us are alive yet don't recognize this as a miracle. But if you focus on your breathing and you become mindful of every movement of your lungs, you are experiencing a miracle within. Some of us are forgetful because we are not truly present in the now. Our mind could be trapped in our anger, our regrets, our fears, and we might be failing to see what is being there. This is known as forgetfulness. Someone can be physically present but his mind is somewhere else. You might be trapped in the future or past. You're not living in the here and now. Your inner transformation is just starting, and it will raise you to an elevated level of mindfulness. This will let you experience more happiness and fulfill your true potential as a human being.
