5 Edition Space Opera:

The Essential Science Fiction Television Reader J.P. Telotte, 2008-05-02 A richly detailed and critically penetrating overview from the plucky adventures of Captain Video to the postmodern paradoxes of The X Files and Lost Rob Latham coeditor of Science Fiction Studies Exploring such hits as The Twilight Zone Star Trek Battlestar Galactica and Lost among others The Essential Science Fiction Television Reader illuminates the history narrative approaches and themes of the genre The book discusses science fiction television from its early years when shows attempted to recreate the allure of science fiction cinema to its current status as a sophisticated genre with a popularity all its own J P Telotte has assembled a wide ranging volume rich in theoretical scholarship yet fully accessible to science fiction fans The book supplies readers with valuable historical context analyses of essential science fiction series and an understanding of the key issues in science fiction television

The Cambridge Companion to Science Fiction Edward James, Farah Mendlesohn, 2003-11-20 Science fiction is at the intersection of numerous fields It is a literature which draws on popular culture and which engages in speculation about science history and all types of social relations This volume brings together essays by scholars and practitioners of science fiction which look at the genre from these different angles After an introduction to the nature of science fiction historical chapters trace science fiction from Thomas More to more recent years including a chapter on film and television The second section introduces four important critical approaches to science fiction drawing their theoretical inspiration from Marxism postmodernism feminism and queer theory The final and largest section of the book looks at various themes and sub genres of science fiction A number of well known science fiction writers contribute to this volume including Gwyneth Jones Ken MacLeod Brian Stableford Andy Duncan James Gunn Joan Slonczewski and Damien Broderick

The Final Frontier Joel R. Campbell, Gigi Gokcek, 2019-03-08 The proposed book uses the Star Trek television movie and Star Wars movie series to explain key international relations IR concepts and theories It begins with an overview of the importance of science fiction in literature and film television It then presents the development of the Star Trek and Star Wars franchises and discusses how their progression through time has illustrated key IR theories and concepts As a bonus it compares the two franchises to another recent science fiction franchise used to teach IR Battlestar Galactica
