Van Cleave, 2022-03-09 Take your shot at becoming the next Tolkien Asimov or King with this simple roadmap to transforming your fiction into works of art Writing Sci Fi Fantasy Horror For Dummies is your skeleton key to creating the kind of fiction that grips readers and compels them to keep turning pages even if it's well past their bedtime You'll start with the basics of creative writing including character plot and scene and strategies for creating engaging stories in different forms such as novels short stories scripts and video games After that get beginner friendly and straightforward advice on worldbuilding before diving headfirst into genre specific guidance for science fiction horror and fantasy writing This book also offers Strategies for editing and revising your next work to get it into tip top shape for your audience Ways to seek out second opinions from editors experts and even sensitivity readers Techniques for marketing and publication working with agents and advice for writers going the self publishing route The perfect beginner's guide for aspiring writers with an interest in horror fantasy or science fiction Writing Sci Fi Fantasy Horror For Dummies is the first and last resource you need before you start building your next story about faraway lands aliens and fantastic adventures [Retelling Stories, Framing Culture](#) John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to *Wind in the Willows* The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included **Myth and Environmentalism** Esther Sánchez-Pardo, María Porras Sánchez, 2023-07-05 This volume traces the interconnections between myth environmentalism narrative poetry comics and innovative artistic practice using this as a framework through which to examine strategies for repairing our unhealthy relationship with the planet Challenging late capitalist modes encouraging mindless consumption and the degradation of human nature relations this collection advocates a re evaluation of the ethical relation to living with and sharing the Earth Myth and the environment have shared a rich common cultural history travelling as far back as the times of storytelling and legend with the environment often the central theme Following a robust introduction the book is organized into three main

sections Myth Disaster and Present Day Views on Ecological Damage Indigenous and Afro diasporic Myths and Ecological Knowledge Art Practices Myth and Environmental Resilience and concludes with a Coda from Jeanette Hart Mann The methodology draws from diverse perspectives such as ecocriticism new materialism and Anthropocene studies offering a truly interdisciplinary discussion that reflects on the dialogue among environment and myth and a broad range of contributions are included from Canada the United States the Caribbean Ukraine Japan Morocco and Brazil The book joins a long line of approaches on the interrelations between ecological and mythical thinking and criticism that goes back to the early 20th century This volume will be of interest to students scholars activists and experts in environmental humanities myth and myth criticism literature and art on more than human and nature interaction ecocriticism environmental activism and climate change

**Syllabus for a Course in Literature for Children** Detroit Teachers College,1928 **Muthos** Loren D. Marsh,2021-04-12 This book presents a new analysis of Aristotle s concept of narrative in the Poetics Arguing that the term muthos in the Poetics cannot be understood as equivalent to plot Marsh shows that the muthos concept is instead a useful tool for grouping larger sets of narratives based on specific criteria The results of this muthos analysis indicate that in the classical period neither formal structure nor the structure of events was determined by theatrical genre but by the specific combination of tone and plot type Marsh concludes that the category of genre itself may be less helpful for classifying these plays than is typically assumed

*Don't Know Much About® Mythology* Kenneth C. Davis,2009-12-29 In this fascinating installment of the New York Times bestselling Don

t Know Much About series Kenneth C Davis explores the great myths of the world and their implications for art science religion and culture throughout history What is an Egyptian pyramid doing on the U S dollar bill Did a pharaoh inspire Moses to worship one God What s a Canaanite demoness doing at a rock concert Since the beginning of time people have been insatiably curious They ve asked questions about where we come from why the stars shine and the seasons change and what constitutes evil The imaginative answers crafted by our ancestors have served as religion science philosophy and popular literature In an engaging and delightfully irreverent question and answer style Davis tackles the epic of Gilgamesh Achilles and the Trojan War Stonehenge and the Druids Odin Thor and the entire Norse pantheon Native American myths and much more including the dramatic life and times of the man who would be Buddha From Mount Olympus to Machu Picchu here is an insightful lively look at the greatest stories ever told

**In the Beginning** Bernard F. Batto,2013-05-01 Bernard F Batto spent the bulk of his career examining the ancient Near Eastern context of the Hebrew Bible with particular interest in the influence of the surrounding cultures on the biblical creation stories This collection gathers six of his most important previously published essays and adds two new contributions Among the essays Batto identifies various creation motifs prevalent in the ancient Near East and investigates the reflexes of these motifs in Genesis 1 11 and other biblical accounts of the primeval period He demonstrates how the biblical writers adapted and responded to the creation ideas of Mesopotamia Egypt Ugarit and elsewhere The articles in the volume were written as independent essays Nevertheless they are united by theme Throughout Batto makes clear his understanding of the Hebrew Bible as a patently unique text yet one that cannot possibly be understood independent of greater cultural sphere in which it developed In the Beginning will serve as an indispensable resource for those interested in both the biblical ideas of creation and the mythology of the ancient Near East that influenced them
