## **Entertainment Law And Practice Second Edition:**

**Entertainment Law & Practice** Jon M. Garon, 2005 Entertainment Law and Practice addresses both the practical aspects of entertainment and the fundamental underpinnings of entertainment law The selection of topics is based on what practitioners face and the materials are selected to build a solid theoretical basis for that topic The casebook provides a comprehensive survey of the primary entertainment law practice areas including music and sound recording motion pictures television theatre and publishing Special attention is given to developments of emerging technologies production and distribution of content in various new media In this book readers will find sufficient analysis of publicity rights copyright First Amendment defamation and trademark law to illustrate these doctrinal areas in the context of entertainment practice This is the only book in the entertainment law field to integrate the practitioner's issues with the jurisprudential framework in which these fields exist This approach makes Entertainment Law a natural capstone course for any intellectual property or business curriculum The casebook is especially useful for adjunct professors teaching the course because of its organization around the relevant issues to the practitioner and highly appreciated by the students using the materials

**Entertainment Law and Practice** Jon M. Garon, 2020-06-09 **Entertainment Law and Business - Second Edition** Jay Shanker, Harold Orenstein, David E. Guinn, 2009-02-01 Entertainment Law and Business is a handy resource for both the experienced and novice practitioner It provides a broad survey of the entire industry and creative rights laws It includes incisive summaries of all of the important areas of creative rights law copyrights the protection of ideas trademark publicity and privacy and the major international treaties It also provides an overview of all the major fields of entertainment and related fields of interest for entertainment practitioners along with illustrative agreements This is not an esoteric academic treatise The book aims to aid the practitioner in the practical aspects of entertainment Hence the authors have attempted to highlight the key features of the major agreements in each field They provide insights not only into what the individual provisions of the agreement attempts to regulate but also the concerns that lie behind those provisions They point to the types of negotiating strategies important in each agreement passing on their experience to the practitioner All of the accompanying sample forms and documents are conveniently included on CD ROM in RTF Rich Text Format RTF allows the user to open each sample clause for use editing in either Microsoft Word or Corel Wordperfect
