## **Enhancing Sexuality A Problem Solving Approach Client Workbook Treatments That Work:**

Enhancing Sexuality John Wincze, 2009-04-27 At some point in life almost all men and women have a problem with sexual functioning. If you are looking for solutions to sexual problems, this workbook can help. You may use it in conjunction with visits to a qualified mental health professional or on your own with or without your partner. This workbook gives you correct information about sex and offers information, advice, and practical suggestions for common sexual problems. From this book, you will learn to improve and enjoy your sexual relations. Divided into three parts, this workbook presents a comprehensive program for solving sexual problems. Part I includes basic information that is helpful for understanding sexual problems and sexual functioning in general. Part II addresses specific sexual problems and provides information and strategies to alleviate and overcome them. Finally, Part III focuses on information and strategies to help you maintain the gains you've made. Exercises for couples, chapter review quizzes, and user-friendly worksheets can be found throughout the workbook and will help you increase your knowledge and understanding of sex and sexual relationships. The information presented is based on research and has helped thousands of people like you and their partners solve sexual problems and prevent them from occurring again.

**Enhancing Sexuality: A Problem-Solving Approach to Treating Dysfunction Therapist Guide** John Wincze, 2009-04-24 Sexual dysfunction can cause significant distress in both men and women and their partners. This therapist guide presents a comprehensive program for assessing and treating sexual dysfunction in couples or single individuals regardless of sexual orientation. It outlines pathways for therapy and gives recommendations for formulating a treatment plan. Therapists are encouraged to be flexible in their approach while guiding clients through this step-by-step program. The guide and corresponding workbook present information on a number of sexual problems, including low sexual desire, difficulty becoming sexually aroused, premature or quick ejaculation, erectile dysfunction, trouble achieving orgasm, and pain or discomfort during sex. Clients are educated about sexual development and common sexual myths. They also learn about factors that influence sexual functioning in order to create favorable conditions for sex. For each topic, this guide offers an overview of principles underlying treatment and main concepts to convey to clients. Case vignettes illustrate key points, and important tips for the therapist are highlighted throughout. The corresponding workbook includes chapter review quizzes, exercises, and worksheets to reinforce client understanding and couple participation. Enhancing sexuality is a worthy goal for couples, and individuals and clinicians will find this a rewarding program to put into practice.
