Chicago Top 40 Charts 1960-1969 Ron Smith,2001-08-01 We Americans love to rank things Whether it s the top television programs or movies at the box office we have a burning desire to know when something is number one Music is no exception Music charts have been around as long as recorded music and radio programs from Your Hit Parade to American Top 40 have capitalized on the idea of counting down the day s top hits It is said that the first printed radio survey of the current top tunes was the WIND Top 21 in Chicago Whether that s true is irrelevant Because of it Chicagoans got into the habit of picking up a list of the latest hits at their local record stores When ABC bought WLS The Prairie Farmer Station in 1960 and switched it to the fledgling top 40 format it soon followed with the Silver Dollar Survey of Chicago s top 40 tunes For over 30 years WLS and its FM successor WYZZ kept the surveys going each week And with its 50 000 watt clear channel signal and enormous respect in the industry to be listed on WLS survey was perhaps more of an honor than to appear on the national Billboard Hot 100 Chicago Top 40 Charts 1960 1969 documents those songs that dominated the Midwestern airwaves during that decade considered by many to be top 40 s golden age Many of the songs listed did not appear at all on the national charts Others including local acts fared much better in Chicago than in the rest of the country Chicago Top 40 Charts 1960 1969 contains an alphabetical listing by title and by artist of every tune listed on the WLS Silver Dollar Surveys during those years It also lists the top 40 songs of each year and for the entire decade as well as a

supplemental listing of songs on the station's Rhythm and Blues chart of 1964 For those who grew up listening to radio in the Windy City as well as for record collectors from anywhere Chicago Top 40 Charts 1960-1969 will be a valued addition to any music reference library Top 40 Charts, 2009 Music **The Book of Hit Singles** Dave McAleer, 1999 Lists American and British top 20 hits since 1954 using monthly charts based on the official Billboard and NME Music Week charts **The Billboard Albums** Joel Whitburn, 2006 A 50 year history of the rock era including every album that made The Billboard 200 chart over 25,000 This amazing reference source provides an artist by artist listing of every album that charted in Billboard from 1956 through December 31, 2005 It includes all the chart data including peak chart position, total weeks charted, chart debut date, total weeks at 1, 2, or 3 positions, original record label and number, and more Also features many bonus sections including a top 500 artists ranking, chronological listing of all 1 albums, the top 100 albums of all time, top artists by decade, albums of longevity, and more Includes album cover photos, artist biographies, and many other statistics Radio Countdown Influence Rafael Montero, AI, 2025-03-31 Radio Countdown Influence explores how music countdown shows became a powerful force in the music industry These programs, a staple of broadcast radio history, did more than just entertain; they dictated which artists rose to fame and significantly impacted music sales Before streaming, radio countdowns offered a curated selection of top hits, creating a shared experience for listeners and serving as a key music marketing tool The book examines the historical evolution, economic impact, and cultural influence of these countdowns It reveals how record labels leveraged them to boost sales and how radio stations monetized audience attention For instance, strategic placement on a countdown could dramatically increase an artist's chart performance and overall popularity By delving into archival broadcasts, sales charts, and industry accounts, Radio Countdown Influence provides a comprehensive look at how this format shaped popular music and the performing arts The book begins by tracing the origins and rise of the format, then examines the economic engines behind the shows and concludes by exploring the lasting cultural legacy It offers insights into how the principles of countdown programming can still inform contemporary music marketing strategies, making it invaluable for understanding the enduring power of audio media **How To Make It in the New Music Business** Ari Herstand, 2023-01-17 Ari is at the front of the front He gets it I've read a hundred how to make it in the music biz books, and this one is today's definitive comprehensive manual Jack Conte, 150 million YouTube views, Pomplamoose, CEO of Patreon Forget everything you think you know about the odds of making it in the music industry Today, odds mean nothing, and success is not about lucky breaks It's about conquering social media, mastering the art of merchandising, and simply working harder and being smarter than everyone else We are living in the midst of an industry renaissance, one that has left the record companies desperately struggling to maintain their prominence as a subculture of dedicated DIY do-it-yourself musicians have taken over These days, talent is a given, and success has to be earned In 2008, Ari Herstand boldly turned in his green Starbucks apron to his manager, determined to make a living off his craft as a singer-songwriter Almost a decade

later he has become a founding member of the new DIY movement and a self sustaining musician all without the help of a major label Now drawing from years of experience Herstand has written the definitive guide for other like minded artists the ones who want to forge their own path and not follow the traditional markers of success like record sales hits on the radio or the amount of your label advance Incredibly comprehensive and brutally honest throughout *How to Make It in the New Music Business* covers every facet of the new business including how to Build a grass roots fan base and understand the modern fan Book a profitable tour and tips for playing live such as opening vs headlining etiquette and putting on a memorable show Become popular on YouTube Spotify and SoundCloud Get songs placed in film and television Earn royalties you didn t know existed and reach your crowdfunding goals Musicians will not only be introduced to all the tools available today but will be shown how to effectively leverage them to actually make money More important they will develop the mindset to be aware of new advancements both online and in the real world and always stay in tune with a constantly evolving landscape There has never been a better time to be an independent musician Today fans can communicate with their idols by simply picking up their phones artists are able to produce studio worthy content from their basement and albums are funded not by record men but by generous engaged supporters As result *How to Make It in the New Music Business* is a must have guide for anyone hoping to navigate the increasingly complex yet advantageous landscape that is the modern music industry *The Billboard Book of Top 40 Hits* Joel Whitburn,1985 This volume provides chart information on all songs and artists to make up the Top 40 of the Billboard Hot 100 singles chart from 1955 to the end of the 20th century Every artist entry begins with brief biographical information followed by the date each single first reached the Top 40 the single s highest position in the chart the number of weeks it remained in the chart and the single s original record label and catalogue number Following the alphabetical listing by artist of all singles to make the Top 40 of the Billboard charts is an additional alphabetical listing by song title for easy reference and a Record Holders section detailing Top 100 Singles 1955 1999 Top 100 Artists 1955 1999 Top Artists By Decade Top Artist Achievements Top Singles By Decade and No 1 Singles Listed Chronologically 1955 1999 There are captions for 300 photographs and biographical information for each artist offering facts
