## **Eternal Life And How To Enjoy It A First Hand Account:**

**Eternal Life and How to Enjoy It** Gordon Phinn, 2025-09-12 Dead and Loving Every Minute of it Eternal Life and How to Enjoy It is a real life tour of what awaits us in the afterlife as told by a guide Henry who just happens to be dead Author Gordon Phinn has been in communication with Henry for many years and brings us the tragicomic tale in his own inimitable style Henry a so called boring accountant relates how immediately after being killed in a car crash he is welcomed by the affable Jack who guides him on his first day dead We see this new world through Henry s eyes and feel his amazement at every turn Even better we witness this stuffy bean counter let go of his suffering and guilt and turn into the fun loving carefree soul he truly is After Henry gets used to the place he becomes an afterlife guide himself indulging the newly deceased in any whim or fantasy that will help them to wake up and realize they re dead Henry explains that most people have the afterlife experience their cultural and religious belief systems set them up for including all the heavens all the hells and all the purgatories in between When really he says we can view the afterlife as a constant progression towards the reunion with the god consciousness that we put aside to practice the art of being human *Afterlife Knowledge Guidebook* Bruce Moen, 2005-05-20 A handbook of astral projection with tools and practices to explore eternity by communicating with those who have died Where will you go when you die What if someone offered you a safe reliable method for exploring for the truth about the afterlife on your own The Afterlife Knowledge Guidebook is just such an opportunity Bruce Moen is a seasoned afterlife explorer He insists that despite our beliefs to the contrary discovering the truth about our afterlife through communication with the deceased is really quite easy Trained as an engineer Moen has created a systematic yet simple set of concepts techniques and exercises that people around the world have successfully used to gather their own firsthand evidence about the afterlife through contact and communication with the deceased Moen s system follows this basic premise If you can find a way to communicate with a person known to be deceased and gather information from this person that you can have no way of knowing except by this contact and if this information can be verified to be true accurate and real then you have gathered evidence that this person continues to exist beyond death If you continue gathering such evidence the weight of it will lead you to the truth You no longer need to take anyone else s word for the truth about our afterlife The Afterlife Knowledge Guidebook gives you the tools to discover the truth for yourself Imagine how your life will change when you know beyond all doubt that you are an eternal being a being who never dies *Astral Projection and the Nature of Reality* John Magnus, 2025-09-12 Astral Projection and the Nature of Reality goes beyond preconceived notions about how to get out of the body and then back in as well as the dimensions to which the outofbody adventurer can travel Magnus starts with a brief history of astral projection and then guides the reader through a stepbystep course for reliable projection He explains how once outofbody we create our own astral world and he offers techniques for understanding our mind and the nature of reality Magnus offers detailed exercises and proven techniques for reliably exiting your body confronting the basic

fears that can hold you back taking advantage of psychic side effects taming your mind navigating a world in which you have the ultimate power to create integrating the lessons you learn from OBEs into your everyday reality replenishing your energy and much more Plus incisive journal entries of his many outofbody adventures will convince you that it can be done and give you the inspiration to go farther than you ever thought possible **Layered Reality** Valo Ray,2020-08-15 Layered Reality is
