Ethics in Counseling & Therapy Rick Houser, Stephen Thoma, 2013 The first text of its kind Ethics in Counseling and Therapy is not merely another text on ethical and legal issues in counseling Where this book clearly differentiates itself is that it presents a framework for helping future counselors develop an ethical identity by laying a solid foundation of ethics from various complimentary fields such as philosophy sociology and political science Competing texts on ethics are too focused on ethical Issues which leaves the student with a set of professional guidelines to follow but no real foundation for handling situations that may surface during any routine client session In other words where this book differs is that it develops the counselor as a person so they can make ethical decisions based on a solid foundation *Ethics in Counseling and Therapy* Rick A.
