The Mourning After Neil Edward Brooks, Josh Toth, 2007 Have we moved beyond postmodernism Did postmodernism lose its oppositional value when it became a cultural dominant While focusing on questions such as these the articles in this collection consider the possibility that the death of a certain version of postmodernism marks a renewed attempt to re negotiate and perhaps re embrace many of the cultural literary and theoretical assumptions that postmodernism seemingly denied outright Including contributions from some of the leading scholars in the field N Katherine Hayles John D Caputo Paul Maltby Jane Flax among others this collection ultimately comes together to perform a certain work of mourning Through their explorations of this current epistemological shift in narrative and theoretical production these articles work to get over postmodernism while simultaneously celebrating a certain postmodern inheritance an inheritance that can offer us important avenues to understanding and affecting contemporary culture and society

A Glossary of Literary and Cultural Theory Peter Brooker, 2016-12-08 The Glossary of Literary and Cultural Theory provides researchers and students with an up to date guide through the vibrant and changing debates in Literary and Cultural Studies In a field where meanings are frequently complex and ambiguous this text is remarkable for its clarity and usefulness This third edition includes 17 entirely new entries and updates to more than a dozen others which address key concepts and contemporary positions in both literary and cultural theory New entries include Actor Network Theory Anthropocene Ecocriticism Digital Humanities Postcapitalism World Literature

Film and the Ethical Imagination Asbjorn Gronstad, 2016-11-24 This book provides a comprehensive

critical overview of the turn to ethics in literature film and visual culture It discusses the concept of a biovisual ethics offering a new theory of the relation between film and ethics based on the premise that images are capable of generating their own ethical content This ethics operates hermeneutically and materializes in cinema s unique power to show us other modes of being The author considers a wealth of contemporary art films and documentaries that embody ethical issues through the very form of the text The ethical imagination generated by films such as *The Nine Muses* *Post Tenebras Lux* *Amour* and *Nostalgia For the Light* is crucially defined by openness uncertainty opacity and the refusal of hegemonic practices of visual representation

Theory Matters Martin Middeke, Christoph Reinfandt, 2016-07-09 This book demonstrates that theory in literary and cultural studies has moved beyond overarching master theories towards a greater awareness of particularity and contingency including its own What is the place of literary and cultural theory after the Age of Theory has ended Grouping its chapters into rubrics of metatheory cultural theory critical theory and textual theory the collection demonstrates that the practice of doing theory has neither lost its vitality nor can it be in any way dispensable Current directions covered include the renewed interest in phenomenology the increased acknowledgement of the importance of media history for all cultural practices and formations complexity studies new narratology literary ethics cultural ecology and an intensified interest in textual as well as cultural matter

Open at the Close Cecilia Konchar Farr, 2022-05-23 Contributions by Lauren R Carmacci Keridiana Chez Kate Glassman John Granger Marie Schilling Grogan Beatrice Groves Tolonda Henderson Nusaiba Imady Cecilia Konchar Farr Juliana Valad o Lopes Amy Mars Christina Phillips Mattson Patrick McCauley Jennifer M Reeher Jonathan A Rose and Emily Strand Despite their decades long phenomenal success the Harry Potter novels have attracted relatively little attention from literary critics and scholars While popular books articles blogs and fan sites for general readers proliferate and while philosophers historians theologians sociologists psychologists and even business professors have taken on book length studies and edited essay collections about Harry Potter literature scholars outside of the children s books community have paid few serious visits to the Potterverse Could it be that scholars are still reluctant to recognize popular novels especially those with genre labels children s literature or fantasy as worthy subjects for academic study This book challenges that oversight assembling and foregrounding some of the best literary critical work by scholars trying to move the needle on these novels to reflect their importance to twenty first century literary culture In *Open at the Close* contributors consciously address Harry Potter primarily as a literary phenomenon rather than a cultural one They interrogate the novels on many levels from multiple perspectives and with various conclusions but they come together around the overarching question What is it about these books At their heart what is it that makes the Harry Potter novels so exceptionally compelling so irresistible to their readers and so relevant in our time
