Etty Hillesum An Interrupted Life The Diaries 1941 1943 And Letters From Westerbork:

Etty Hillesum Etty Hillesum,1996 For the first time Etty Hillesum s diary and letters appear together to give us the fullest possible portrait of this extraordinary woman in the midst of World War II In the darkest years of Nazi occupation and genocide Etty Hillesum remained a celebrant of life whose lucid intelligence sympathy and almost impossible gallantry were themselves a form of inner resistance The adult counterpart to Anne Frank Hillesum testifies to the possibility of awareness and compassion in the face of the most devastating challenge to one s humanity She died at Auschwitz in 1943 at the age of twenty nine

Etty Hillesum Etty Hillesum,1996-11-15 For the first time Etty Hillesum s diary and letters appear together to give us the fullest possible portrait of this extraordinary woman in the midst of World War II In the darkest years of Nazi occupation and genocide Etty Hillesum remained a celebrant of life whose lucid intelligence sympathy and almost impossible gallantry were themselves a form of inner resistance The adult counterpart to Anne Frank Hillesum testifies to the possibility of awareness and compassion in the face of the most devastating challenge to one s humanity She died at Auschwitz in 1943 at the age of twenty nine

Etty Etty Hillesum,2002 In the midst of the horrors of the Nazi Holocaust Etty s writings reveal a young Jewish woman who celebrated life and remained an undaunted example of courage sympathy and compassion

Through this splendid translation by Arnold J Pomerans commissioned by the Etty Hillesum Foundation readers everywhere will resonate with the spirit of this amazing young woman

Writings of Etty Hillesum Klaas Smelik,Ria van den Brandt,Meins G. S. Coetsier,2010-10-25 Much of the previous scholarship on Etty Hillesum 1914 1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum s diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines

Etty Hillesum and the Flow of Presence Meins G. S. Coetsier,2008 Although she died cruelly at Auschwitz at the age of twenty nine Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances Her life was as much shaped by Hitler s regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from a uniquely Voegelinian perspective *Etty Hillesum and the Flow of Presence*

analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials He shows how mystical attunement to the flow of presence Voegelin's designation for human responsiveness to the divine is the key to the development of Hillesum's life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust Etty Hillesum and the Flow of Presence is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum's life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought

The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

The Lasting Significance of Etty Hillesum's Writings Klaas A.D. Smelik, 2025-10-01 The Lasting Significance of Etty Hillesum's Writings contains the proceedings of the third international Etty Hillesum Conference held in Middelburg in September 2018 It brings together the work of 33 experts from all over the world to shed new light on life works inspiration and vision of the Dutch Jewish writer Etty Hillesum 1914-1943 one of the victims of the Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of the Holocaust This volume revives Hillesum research with a comprehensive rereading of her texts but also by introducing new sources about her life With the current rise of interest in peace studies Judaism the Holocaust inter religious dialogue gender studies and mysticism this book will be invaluable to students and scholars in a range of disciplines

Rituals in Abundance Gerard Lukken, 2005 Rituals are closely linked with culture This book is a consideration of Christian ritual in our culture It was originally written particularly with an eye to the ritual developments in The Netherlands which can be considered as representative for our Western European culture It has been revised and expanded for the English edition As in other European countries in the 1960s Dutch society witnessed a serious crisis in ritual The situation was paradoxical While under the influence of the Second Vatican Council and the Liturgical Movement in the Catholic churches there was a great creativity with regard to ritual ritual was gradually disappearing from the society at large and participation in Christian ritual was rapidly draining away A religious void arose However since then the situation has changed fundamentally Rituals were rediscovered in the 1990s indeed to such an extent that one can now speak of rituals in abundance In this book the author sketches out the directions and sets out signposts for where ritual is going in contemporary culture He traces the peculiar characteristics of ritual indicates what shifts have taken place and tries to further define the identity of various rituals In doing this he concentrates on the question of the place of Christian ritual in our culture How is Christian ritual connected with the many rites in our culture What new shape is it taking on in our culture In the midst of the other rites what is the peculiar identity of Christian ritual In this book the accent is on the anthropological approach to Christian ritual it works from the bottom up The book seeks answers to the questions being asked in the discipline of ritual studies which particularly since the second half of the 1980s has arisen as an important realm or stage on which different disciplines studying ritual come together
