Etty Hillesum And The Flow Of Presence A Voegelinian Analysis

Ursula Wirtz

Etty Hillesum And The Flow Of Presence A Voegelinian Analysis:

Etty Hillesum and the Flow of Presence Meins G. S. Coetsier, 2008 Although she died cruelly at Auschwitz at the age of twenty nine Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances Her life was as much shaped by Hitler's regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from a uniquely Voegelinian perspective Etty Hillesum and the Flow of Presence analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials He shows how mystical attunement to the flow of presence Voegelin's designation for human responsiveness to the divine is the key to the development of Hillesum's life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust Etty Hillesum and the Flow of Presence is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum's life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought

The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Etty Hillesum and the Flow of Presence Meins G. S. Coetsier, 2008 Using the views of Eric Voegelin on the nature of consciousness Coetsier explores the mystical thought expressed in the diaries and letters of Etty Hillesum who died at Auschwitz at twenty nine revealing the inner

development of her mystically grounded resistance to Nazism and the symbolism of her spiritual journey Provided by publisher

The Lasting Significance of Etty Hillesum's Writings Klaas A.D. Smelik,2025-10-01 The Lasting Significance of Etty Hillesum's Writings contains the proceedings of the third international Etty Hillesum Conference held in Middelburg in September 2018 It brings together the work of 33 experts from all over the world to shed new light on life works inspiration and vision of the Dutch Jewish writer Etty Hillesum 1914-1943 one of the victims of the Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of the Holocaust This volume revives Hillesum research with a comprehensive rereading of her texts but also by introducing new sources about her life With the current rise of interest in peace studies Judaism the Holocaust inter religious dialogue gender studies and mysticism this book will be invaluable to students and scholars in a range of disciplines *Theology, Empowerment, and Prison Ministry* Meins G.S. Coetsier,2022-09-26 In *Theology Empowerment and Prison Ministry* Meins G S Coetsier offers a new scholarly account of Karl Rahner's theological anthropology and the prison pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner's views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community

New Trends in Psychobiography Claude-Hélène Mayer,Zoltan Kovary,2019-08-06 This volume offers insights into contemporary trends and perspectives in psychobiographical research It applies new theoretical and methodological frameworks and presents discourses on psychobiography from transdisciplinary backgrounds and various socio cultural contexts displaying the new state of the art new trends and themes in psychobiography The book outlines psychobiography's outstanding contribution to psychology from 36 internationally reputable authors It also presents the ideas of five outstanding psychobiographers through interview excerpts This book is a must for researchers lecturers and practitioners in the field of psychology and social sciences interested in the use of new psychological theories and methodologies in life span research *Exploring the Glory of God* Adesola Joan Akala,2020-11-24 With the aim of envisioning new horizons for a theology of glory *Exploring the Glory of God* New Horizons for a Theology of Glory offers fresh biblical theological and scientific perspectives on the subject of divine self revelation and human responses to the manifestations of divine presence The first three chapters explore the glorious encounter between Moses and God and the Christological dimensions of glory in Johannine and Pauline writings These chapters demonstrate how the biblical text inherently weaves aspects of covenant relationship revelation Christology ecclesiology and eschatology into a remarkable tapestry of divine glory Five theological chapters cover the role of the Holy

Spirit and the worshipful response of believers to the glory of God as well as expositions on the glory themed writings of Jonathan Edwards Karl Barth Oscar Romero and Etty Hillesum These theological writers provoke challenging questions by emphasizing how the theme of glory paradoxically encompasses both otherworldly perfection and worldly imperfections The two concluding chapters focus on the natural and physical sciences revealing how God s glory is displayed in the heavens and on earth The entire volume demonstrates the significance of divine glory in the study of the words and works of the triune God

Theology in a Suffering World Christopher Southgate,2018-08-30 In this book Christopher Southgate proposes a new way of understanding the glory of God in Christian theology based on glory as sign Working from the roots of the concept in the Hebrew Bible Theology in a Suffering World Glory and Longing shows that glory is not necessarily about beauty or radiance but is better understood as a sign of the unknowable depths of God Southgate goes on to show how John and Paul transform the concept of glory in the light of the cross He then explores where glory may be discerned in the natural world including in situations of pain and suffering In turn glory is explored in the poetry of R S Thomas and the writings of the Jewish mystic Etty Hillesum Finally the book considers what it might mean for Christians to be transformed from one degree of glory to another that might mean becoming a sign of the great sign of God that is Christ and conforming their longing to God s longing for the Kingdom to come

Trauma and Beyond Ursula Wirtz,2020-06-08 In this seminal work on the clinical archetypal and spiritual dimension of trauma the author offers a compelling vision of the transformative potential of suffering and the dialectic of Dying and Becoming Wirtz outlines a healing path from fragmentation to integration and illuminates the resilience of the human spirit in the face of severe trauma Trauma and Beyond will be essential reading and a valuable resource for counsellors therapists and Jungian analysts who are challenged in their practice with individual and collective traumata

University of Missouri Press Melvin D. George,2008 Celebrates the fiftieth anniversary of the founding of the University of Missouri Press in 1958 by William Peden Explores the importance of university presses to the dissemination of scholarship and looks to the future of book publishing Includes lists of books in print and out of print as of 2008 Provided by publisher

Rethinking Rights Bruce P. Frohnen,Kenneth L. Grasso,2009 Essays retrace the historical development of rights in the West assessing the influence of Locke Burke and the authors of the Declaration of Independence to clarify the experience of rights within the Western tradition showing that rights need to be rethought so that they may again truly serve the human good Provided by publisher
